

JACK KISIL AWARD 2017

Danny Canak

Danny Canak is the Jack Kisil Award recipient for 2017. The Jack Kisil award is given each year to a team or individual working at Holy Family Home who has the following qualities:

- Someone who demonstrates unselfish dedication to the facility;
- Someone who is recognized by peers for their outstanding performance and commitment;
- Someone who is mission driven;
- Someone who strives to improve and enhance the quality of care and services;
- Someone whose diligent efforts and dedication is clearly evident towards the delivery of care and services for our residents;
- Someone who gives generously of their time and how goes the extra mile in pursuit of excellence;
- Someone who demonstrates respectfulness in interpersonal relationships and treats all individuals with dignity.

Danny Canak exhibits all of these qualities.

Danny is an empathic and skilled nurse who is conscientious and will leave no stone unturned to ensure residents are receiving the very best of care. There is no task too small or large for Danny. Whether it's a leaky toilet or call bell that does not work he's eager to resolve any issue. When no one else can replace a night staff member Danny somehow manages to pull the rabbit out of the hat and has a health care aide willingly accept a shift. However this may require that he drive through a snow storm to pick up coworkers to ensure they arrive safely at work. He is respected by his team and he has only to call them and they respond.

To Serve is to Love and what that means to Danny is not to only provide the highest level of excellence in the care of our residents but also to motivate and inspire one another as colleagues to be the best we can be.

Congratulations Danny on this award!
